ABOUT US
Our vision is to CONNECT over 2 million Women Veterans (and our supporters) globally for the PURPOSE of sharing our gifts, talents, resources and experience. We are committed to creating a community that Equips, Empowers, & Encourages women that have served our country with knowledge, resources, mentorship, and career opportunities to discover & fulfill their greatest potential.

Women veterans are often underserved and unrecognized in our communities. We are reaching out to women veterans and those that are transitioning out of the military. We connect them with the training, tools, support and resources to discover and/or advance their career path as well as connect women vets with each other.

Melissa A. Washington, a Navy Veteran is the CEO and Founder of Women Veterans Alliance. She is a disabled veteran small business owner, speaker, author, and award winner who is connecting women veterans across the nation.

She proudly served in the Navy and rather than shoulder the burden of a dual-service family, she decided to leave the military early to pursue a career while her husband spent 21 years on active duty in the United State Marine Corps. Melissa earned her bachelor’s degree in business management and transitioned into a successful career in recruiting and human resources for more than 10 years working for both boutique agencies and global Fortune 500 companies.

Laid off from her job in 2009 — due to a failing economy — this marked the beginning of a nearly two-year journey and career reinvention allowing her to use her experience to help others. It started with holding LinkedIn workshops for job seekers at her dining room table, then as a speaker at venues across the nation. In 2011, she started Melissa Washington, Inc., offering consulting services to businesses and individuals using LinkedIn for researching, recruiting, job seeking and collaborating. For four years she worked at LinkedIn, where she planned global corporate meetings and events. In 2014, she authored Get Back to Work: Smart & Savvy Real-World Strategies to Make Your Next Career Move.

She has been featured in Sacramento Business Journal as well as other magazines and newspapers. Sought out speaker as well. Melissa is a go to person for media when it comes to women veterans. TV interviews on ABC, NBC, CBS, and Fox. Including a segment on the Dr. Phil Show and Lifetime Channel, The Balancing Act. Radio includes Sirius XM, KFBK AM1530, iHeart, national podcasts, AM1170 and more.

Her husband of 25 years, Jarrod, is a retired Marine, who served in combat in Desert Shield, Desert Storm and Operation Iraqi Freedom (OIF). They are proud parents to Maya. Melissa is the daughter of Bronze Star Army Vietnam War Veteran.
